PROFESSIONAL SUMMARY

Detail-oriented SEO Specialist with 3+ years of hands-on experience in Technical SEO and On-Page SEO, including full technical SEO audits, crawl error resolution (404s, soft 404s, broken links), redirect management (301s, redirect chains and loops), duplicate content resolution, XML sitemap management, and structured data / schema markup troubleshooting validated against Google's Rich Results Tool. Combines a computer programming and hardware servicing background with search expertise to resolve crawlability and indexability issues and improve Core Web Vitals and page speed. Skilled in on-page optimization (title tags, meta descriptions, focus keywords), site architecture and URL structure, and data-driven keyword research. Early adopter of AI Search Optimization (AIO), Answer Engine Optimization (AEO), and Generative Engine Optimization (GEO), with client content appearing directly in Google AI Overviews and ChatGPT-generated answers. Proven impact includes growing a dental client's monthly organic traffic from 224 to 1,705 visits.

3+ Years Hands-On SEO Experience	8 Industries Served	12+ SEO & Marketing Platforms	US / CA / KR International Client Base

PROFESSIONAL EXPERIENCE

The Jamil Brothers Realty Group

SEO Specialist | Real Estate | Northern Virginia, USA (Remote) | Apr 2026 - Jul 2026

- Led content strategy, Technical SEO, and AI Search Optimization (AIO/AEO) for a Northern Virginia real estate company, improving visibility across Google Search, Google AI Overviews, and AI-powered search platforms.
- Wrote SEO blog content targeting home-seller, downsizing, and home-equity search intent, grounded in Google's Search Quality Evaluator Guidelines.
- Re-optimized existing blog content for heading hierarchy, semantic keywords, title tags, meta descriptions, and search intent alignment.
- Resolved keyword cannibalization and duplicate content issues through content consolidation and 301 redirect strategy.
- Diagnosed and fixed FAQ schema validation errors and structured data implementation issues, validating fixes with Google's Rich Results Tool.
- Built topical and brand authority through directory listings, Web 2.0 backlinks, and outreach.
- Audited site architecture and repaired broken internal links and URL structure issues to strengthen crawlability and indexability.
- Helped client content surface in Google AI Overviews and ChatGPT answers for seller-intent queries across Fairfax, Loudoun, Prince William, and Baltimore Counties.

MyPortal Marketing Inc.

SEO Specialist | Dental Clinic • Business Brokerage • Mortgage Lender • Real Estate • E-commerce • Restaurants • Veterinary Clinic • Solar Company | Digital Marketing Agency | Jan 2024 - Mar 2026

- Owned on-page, technical, off-page, and local SEO delivery across a multi-industry portfolio of client accounts spanning dental clinics, business brokerage, mortgage lending, real estate, e-commerce, restaurants, veterinary clinics, and solar.
- Ran full technical SEO audits, including crawl analysis, indexability review, and resolution of 404s, soft 404s, broken links, and duplicate content, using Screaming Frog and Ahrefs.

- Conducted data-driven keyword research, competitor analysis, and focus-keyword mapping; wrote title tags, meta descriptions, blog content, and internal linking structures to support rankings.
- Managed 301 redirects for moved and removed content, resolving redirect chains and loops; cleaned up outdated redirects and managed robots.txt disallow rules to improve crawlability.
- Directed indexing and reindexing efforts via Google Search Console (GSC) and optimized Core Web Vitals for mobile-first page-speed performance.
- Managed Google Business Profile optimization, local link building, and citation building for local search visibility.
- Maintained NAP consistency and GBP categories, subcategories, and products/services across client locations.
- Grew a dental client's (Wincrest Orthodontics) average monthly organic traffic from 224 to 1,705 visits over the engagement.

Zltoto Sports

SEO Specialist (iGaming Client) | iGaming | South Korea (International) | Aug 2023 - Nov 2023

- Built and optimized a WordPress website for an international iGaming client on a limited budget, prioritizing the highest-leverage technical and on-page SEO fixes.
- Designed SEO-friendly site architecture and URL structure, and performed on-page SEO analysis focused on maximum impact under budget constraints.
- Executed local SEO and local citation building to support regional search visibility.
- Set up Google Search Console and optimized Core Web Vitals and mobile-first page speed.

Ivy Flowers and Bouquet Shop

SEO Specialist (Hands-On Training Client) | E-commerce | First SEO Client Engagement | Mar 2023 - May 2023

- Built a website from the ground up on WordPress and implemented foundational on-page and technical SEO, the project that launched my SEO career.
- Set up Google Search Console and Google Analytics 4 to establish the client's first analytics and search-visibility foundation.
- Submitted XML sitemaps and managed indexing and reindexing.
- Conducted keyword research and optimized meta titles and descriptions across all product and category pages.
- Built local citations to support local search engine optimization.

SELECTED SEO PROJECTS & RESULTS

Dental SEO: Wincrest Orthodontics | Local Dental Practice | Technical SEO, On-Page SEO, Off-Page Link Building

Grew average monthly organic traffic from 224 (June 2022) to 1,705 (May 2024) through sustained on-page optimization, technical fixes, and backlink acquisition, tracked via Ahrefs, Google Search Console, and Google Analytics 4.

AI Search Visibility: Real Estate (Fairfax, Loudoun & Prince William Counties, VA) | The Jamil Brothers Realty Group & ExploreVAHomes | AI Search Optimization (AIO/AEO/GEO)

Developed long-tail, seller-intent content that earned direct citations in Google AI Overviews and ChatGPT-generated answers for queries on home selling, investment property sales, and negotiation in Northern Virginia and West Virginia markets.

AI Search Visibility: Business Brokerage | First Choice Business Brokers | Buyer & Seller Intent Content Strategy

Built buyer- and seller-intent, location-based content that was cited in Google AI Overviews for business-for-sale queries across Los Angeles, Las Vegas, and Atlanta markets.

Local Dental SEO Portfolio: Multi-Practice Keyword & Link Campaigns | Androscoggin Dental Group, Batavia Family Dental, Comfort Dental Spa, Crosstown Dental, Dental Horizons, Orillia Dentistry

Ran primary/secondary keyword optimization and guest-post link-building campaigns across six dental practice accounts; Androscoggin Dental Group's organic traffic increased from 202 to 282 following the SEO transition period.

E-Commerce SEO Foundation: Ivy Flowers and Bouquet Shop | E-commerce | Website Build, Technical & On-Page SEO

Took a business with zero website presence to its first indexed, search-visible site on WordPress, with Google Search Console and GA4 tracking in place from launch.

International iGaming SEO Launch: Zltoto Sports (South Korea) | iGaming | Budget-Constrained Technical & On-Page SEO

Delivered a full WordPress build and SEO-friendly site architecture for an international client under tight budget constraints, prioritizing the highest-impact technical fixes.
